

Meyer Township

W5480 First Street

P.O. Box 185 Hermansville, MI 49847

Dear Meyer Township Residents,

The Meyer Township Board is inviting all those who live, work, and play in the Township to participate in a public input survey for the development of a Meyer Township Recreation Plan. This plan will help guide parks and recreation across Meyer Township in the upcoming years. The survey should take you no more than five- to- ten minutes to complete.

Your voice matters!

Citizen input is important to the Recreation Plan process and the results will be directly incorporated into the final plan. The Meyer Township Board will be developing the Recreation Plan during its regular meetings over the next several months, with the assistance of Central Upper Peninsula Planning and Development (CUPPAD). These meetings are open to the public, and notice of meetings are shared online on the Township's calendar. At the conclusion of development, the public will be offered opportunities to review and comment on the proposed plan during a public comment window and public hearing.

Thank you for time and input,

Meyer Township Board
